### GALERIE EXPO

A painter of atmosphere, Robert  
ROUJAS is inspired in his paintings by  
attitudes or snapshots of life that he  
captures during his travels. Markets,  
streets, and characters in movement or  
in action are the source of his creations.  
Originally from the Midi-Pyrenees, he  
conveys his love of the land and  
heritage in his paintings. Apart from  
painting the local land and heritage,  
markets, streets and characters in

motion or in action form the source of his creations, alongside various  
thematic compositions. He exhibits in many international shows, in  
which he is often awarded. You can meet him in his workshop-gallery  
(entrance on Chemin de Cescou) where a permanent exhibition  
awaits you. Visits by appointment all year round, or from 3 pm to 6  
pm during the summer.
