At the top of the Thollon-les-Mémises gondola lift, take the climb to the left of the ski slope access. Along the way, you'll enjoy views of the Pic de Borée, the Mémises mountain pasture and numerous Swiss peaks.

At the arrival point of the "La Frasse" chairlift, turn left into a wilder area. Panoramic views of Lake Geneva and the French and Swiss coasts on the way back.

The route ends with a lovely view of the village of Thollon-les-Mémises and Lake Geneva.

2nd loop: you can reach the Pic des Mémises via the multi-glide trail or the ridge.
