

-TRAIL 6

A very versatile all mountain bike with 150mm of travel, a geometry that is very comfortable on the downhill, and a "magic" rear suspension that will surprise you with its shock absorption capabilities.

- GAME 6

A high performance enduro bike with 160mm of travel and a wide open front end to give you confidence when riding downhill. The ideal VTTAE to go very fast downhill in complete safety.

The whole thing is assisted by a BOSCH engine, the reference in terms of VTTAE engines.
